Review of May General Meeting	Linda	Generally agreed that it was a good meeting. There were a lot of questions and answers. We felt it went a bit long. We think we will give Tim Acklin twenty (20) minutes up front when he returns in June for a follow up to the parking ordinance.
June General Meeting	Greg	We are firm on the June meeting with the Outreach Director of the LaCrosse Public Library. We will have Tim update the Parking Ordinance for the first 20 minutes. The Board agreed to table any discussion on the Kmart site until there has been further progress.
Website Update	Travis	We all like the changes being made on the whnalax.org website. Needing online feedback, Travis will make a questionnaire for CIP funding (see next topic) and a ballot for online voting of the bylaw changes.
CIP Funding for 2021-2022	Linda, Greg, Travis Some ideas tossed about: benches and chess table at 22 nd Drive and Adams parklet, summer parklet at Ranison's, game tables @ Weigent, low lighting (solar?) at Weigent, promenade walkway from new shelter to 16 th street @ Weigent	We would like to have an ongoing wish list for WHNA. Travis will solicit ideas through a questionnaire on our website; Greg will facilitate brainstorming of ideas for the first half of the August meeting. These ideas will be presented to Lewis Kuhlman at the appropriate time. The link to the questionnaire will be posted on FB and ND and in newsletter.
Upcoming Meetings	July: Solar and alternative energy August: CIP and Historical Society September: Jim Flottmeyer	Greg is looking for an NGO rep and a contractor to talk ½ brainstorm session and ½ on Historical Society, Regional History Museum Perhaps an outdoor meeting at the new shelter site!

Committee Updates	Environment: Bob Infrastructure: Linda	Tree selection presentation in production by Travis. Bob will have useful links to resources on the WHNA website. We need new ID markers (esp. for the 1 st plantings) at the pollinator garden; it also needs a cleanup. Linda and Sue are going to Hogan for another cleanup on Thursday for the planting on Saturday the 22 nd . Linda and Travis will revisit safety issues in WHNA that can be addressed by CIP funds, e.g., 4 way stops, ADA compliance.
New Business	Linda Bob	Linda talked to us about a LSD focus group on the future of public schools in the district. It was very interesting and will be an on-going discussion as the district plans for declining enrollment. Bob was wondering about the future of the Coulee Council for Addiction building on West Avenue near Taco John's.
