

Weigent-Hogan Neighborhood Association

Subject: February 2022 General Membership Meeting

Item	Person Responsible	Action
Call to order, welcome	Linda Lee, Bob Fisher, Travis Stinar, Sue Bulk, Scott Rada, Mackenzie Mindel, Jim Flottmeyer, Karen Acker, Nancy Hill, Kathy Sims, Kay hatlestad, Terry Brenner, Daryl Wood, Greg Clark	Call to order at 6:31 PM, Speakers Bob Fisher and Mackenzie were introduced
La Crosse Climate Action Plan 1	<p>Mackenzie Mindel https://www.lacrosseclimateactionplan.org/news/palebluedot-issues-preliminary-climate-action-baseline-research-documents</p> <p>https://www.lacrosseclimateactionplan.org/ https://www.lacrosseclimateactionplan.org/survey https://www.lacrosseclimateactionplan.org/news/submit-your-story-to-the-la-crosse-climate-stories-project https://onedrive.live.com/view.aspx?resid=CB639961CB98C435!118784&ithint=file%2cdocx&authkey=!AIOIJLMKTLZ7Ko0</p>	<p>Mackenzie gave an overview of the LaxCAP and the goals of the steering committee. A MN company PaleBlueDot LLC is doing a study and making recommendations for our area.</p> <p>The preplanning includes a public information campaign, online survey, listening sessions, perspectives through art. Phase 2 (summer/fall) will include the draft plan review. Also available is a social media kit and a meeting in a box for organizations to use.</p>
La Crosse Climate Action Plan 2	<p>Bob Fisher</p> <p>https://docs.google.com/document/d/1NkswH5fnoPv_04duYkPBr_IJ4lsQOfj-/edit?usp=sharing&oid=102548193326844806265&rtpof=true&sd=true</p>	<p>Bob took his time to look at the 10 chapters of the plan and made suggestions specific to WHNA. These included making alternate transportation options more viable, increasing greenspaces along with better land use, more use of locally sourced food.</p>
La Crosse Climate Action Plan #	<p>Group questions and discussion</p> <p>https://www.energy.gov/energysaver/geothermal-heat-pumps</p>	<p>Mackenzie recommended looking at https://www.cityofdubuque.org/606/Sustainable-Dubuque for one city's sustainable vision.</p> <p>Yes, our mayor is totally on board with 100% clean renewable energy for our city.</p> <p>There was discussion about ground and water sources energy (heat pumps), getting non-profits on board for</p>

	<p>https://focusonenergy.com https://www.footprintcalculator.org/home/en</p>	<p>pollinator gardens, solar in schools (in the works), the increase of personal solar energy options. There are also options for getting people together and making “group buy” options for less. Where to get information about making changes personally (Global Footprint Network).</p>
Weigent Park Shelter	Jim Flottmeyer	<p>The bids are in and awaiting approval by Common Council. American won the bid (Tomah Co). Demolition will begin in spring and barring complications with weather and supply, it should be finished in late September. There is no epoxy flooring in the bid but they will keep working on this. We asked to request a light-colored roof to reduce the heat island effect.</p>
New Board Election: Three Cheers!!	Linda Lee, Terry Brenner Sue Bulk, Greg Clark, Nancy Hill	<p>Elected for a 1-year term Elected for a 2-year term</p>
Hogan Neighborhood Garden	Linda, Sue	<p>We will need firm commitments by the end of March for April preparation (bed building/path), May planting, and summer weeding and watering. We have 4 waterers, but we have desperate need for weeders and builders.</p>
Announcements	Sue Bulk Next General Meeting: School Board Candidates moderated by Scott Rada	<p>Board meeting on February 21 at 6:30 PM in person at Sue’s house March 14th via Zoom</p>
Adjournment	Motion by Kay, 2 nd by Kathy	Meeting adjourned at 7:51 PM
